ORGANIST'S NOTES

The voluntary after the service will be the Ricercar del Secondo Tono by Hans Leo Hassler (1564-1612), organist of Augsburg cathedral, who published much sacred and secular vocal music, but his many keyboard works survive only in manuscripts. The main subject is based on the ascent from G to D, with semitones from A to D. A second subject appears in the short triple-time section, the two being combined in the final section. It is for Lyn and Joy who birthdays are this weekend.

INSPIRATION

The latest edition of Inspire magazine is at the back of the church. Full of stories to lift your spirits, this month includes how an ex-Page 3 girl found Jesus, why God is everything to a footballer's wife, and "Where is God in my pain?"

PLANS are IMPORTANT

We all need to make plans to help us achieve things and its just as important for your Church to have plans too. In this Diocese as in many others, Churches are encouraged to plan for the future using an approach called **Mission Action Planning**. Your PCC members have identified objectives to work towards in 2014, so this has become our **MAP** for the year. A copy is displayed on the notice board at the back of the Church for you to read and shows what we are aiming to achieve together. If you have any questions, or, if you can help with any of these initiatives, we would love to talk with you. Have a word with Brian (Vicar), Peter Rhodes, Hilary Ferris or a PCC member. Its good to work together for our Church and its ministry.
