ORGANIST'S NOTES

The voluntary after the service today will Obra lleno de 5 Tono punto alto by José Blasco de Nebra (1702-68), organist of the Capilla Real, Madrid. He left mainly sacred and secular vocal music, but a few keyboard pieces survive in MSS. This through-composed work, found in at least two MSS with slight variants which I have collated, is loosely fugal with a jaunty subject in quavers and semiquavers, which also occurs in an abbreviated form in sequential passages.
