## CHURCH DEVELOPMENT

Following the various discussions of the PCC over the past 12 to 18 months we as a Church want to think about the best ways of re-developing the church and making it less "tired". As mentioned by Sue Foster at the end of the Harvest Service the PCC would value the input of the congregation on the ideas that have been discussed and there will be a meeting in the church on **Sunday 30th October, following the morning service**, to look at the suggestions and for everyone to have an input into the ideas.

We need to make sure that our 'Vision' for St. Georges Church and Parish comes from God and therefore we must bring our thoughts and ideas to our Father in heaven. Please join us in church for a **Day of Prayer on Saturday 5th November, from 8.30am until 5.00pm**. You don't have to stay all day, come for as long as you can. This day will give us all an opportunity to come together as a fellowship and ask for God to lead us forward.
