## ST GEORGE'S 150

The outreach team have been looking at the celebration events for our 150th anniversary next year. We hope to hold an outreach event every month and two celebration weekends mid July - a music festival is being planned for one and some sort of special service(s) for the other. But we need 11 more. A list of proposed events made at our "Thank you" evening in January are on the board at the back of the Church. Please have a look and tick which event you think people would like to attend and which event you could help to plan. We really hope everyone can be involved in this our celebration of 150 years of worship at St George's. Please pray that God will guide us in all our planning. Please speak to Jan Holden, or Mike Tyler if you have any other ideas.
