WINDOW ON THE PIER

As part of the 150th celebrations for St George's, we have commissioned a 'window on the pier' to make a permanent memorial of the part our church has played in the community for 150 years.

Those of you who read the 'Worthing Journal' will be familiar with this project, which was started by Paul Holden. We have reserved a good space and have commissioned Siobhan from the Forge Gallery to make the window. Pupils from Davison School have helped with the design. The window will cost approx. £500 and this is an appeal to you to help fund this independently of church funds. Any contribution will be very gratefully received. Please use a white Gift Aid envelope and mark it very clearly '**Window on the Pier**' to keep it separate from other church funds. If you are a tax payer, a Gift Aid declaration will make your donation go even further.

Donations are for the Window on the Pier and other events celebrating the 150th anniversary of the church. If for any reason there is a surplus left over from the events, funds raised will be used for the PCC's general purposes.

Project Team: Brenda Whitmell and Robina Edser
