READER IN TRAINING

I have successfully completed the first year of training. Feedback from the congregation, the marks for the assignments in the three modules (Introduction to Biblical Studies, Introduction to Church History and Spirituality and Discipleship) and Brian's report on my progress have all been brought together and this means I will be starting Year 2 in September. The 2nd year begins with a placement in another Church and so from mid-September until December I will be at the Parish of Findon, Clapham and Patching experiencing parish life in a rural parish with 3 churches, all Grade 1 listed and a different style of worship to St George's!
Thank you to everyone for their prayers and support during this exciting time. *Hilary Ferries*
