8am HOLY COMMUNION

The 8am Holy Communion is a beautiful way to start your Sunday, in the peace and quiet of St George's Church. However, due to low numbers this service will now only happen on the first Sunday of each month during the winter months. This will be reviewed in the New Year. Why not give it a try on Sunday 3rd November?

RED BOX PROJECT

The Red Box Project is in the early stages of winding down in England as it has done already in Wales and Scotland. This is due to the respective government's commitment to providing free menstrual products within all schools and colleges across the country by early 2020. If you still have products to give our box will be in place for another week so it's not too late to donate. Thank you for your generosity.
